INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Special Kneads and Treats, Inc.

We have audited the accompanying financial statements of Special Kneads and Treats, Inc. which comprise the statements of financial position as of December 31, 2019, and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Special Kneads and Treats, Inc., and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

SPECIAL KNEADS AND TREATS, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

1. NATURE OF ACTIVITIES

Special Kneads and Treats, Inc. (“Organization”) is a domestic nonprofit organization incorporated in the State of Georgia in 2012. The Organization’s core mission is to provide a free birthday cake to any child in the local community whose family cannot afford one. They work with the Department of Family and Children Services (DFCS), foster care, children’s shelters, Partnership Against Domestic Violence, Pregnancy Resource Centers, battered women’s shelters, homeless shelters, and local food cooperative ministries as well as many other local support groups to get free cakes into the hands of those in need.

A major program of the Organization is connecting individuals with disabilities to a rewarding profession while providing valuable work experience and training. The focus on special needs adults receiving self-confidence, a sense of value, and the opportunity to enjoy success and socialization is at the heart of Special Kneads and Treats, Inc.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

Special Kneads and Treats, Inc. adopted the Financial Accounting Standards Update (ASU) No. 2016-14 – *Not for Profit Entities (Topic 958): Presentation of Financial Statements for Not-for-Profit-Entities*. Accordingly, net assets are reported as net assets without donor restrictions and net assets with donor restrictions.

Fair Value of Financial Instruments

Fair value is defined as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, FASB ASC 820 establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The three levels used to measure fair value are as follows:

- Level 1 Quoted prices in an active market for identical assets or liabilities.
- Level 2 Observable inputs other than quoted market prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data;
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities; this includes certain pricing models, discounted cash flow methodologies, and similar techniques that use significant unobservable inputs.

Cash and cash equivalents, accounts receivable, and accounts payable are stated at cost, which approximates fair value due to their short-term maturity.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Estimates

Financial statements prepared in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Income Taxes

Special Kneads and Treats, Inc. is a qualified tax-exempt organization under Internal Revenue Code Section 501(c)(3). The IRS has determined that Special Kneads and Treats, Inc. is not a private foundation. Accordingly, no provision for income taxes is necessary.

Contributions

Contributions of cash and other assets are recorded as without donor restriction or with donor restriction depending on the existence and/or nature of any donor restrictions. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the statement of activities as net assets released from restriction.

Donated Services and Non-Monetary Assets

Contributions of nonmonetary assets are recorded at fair value at the date of receipt, contributions of services that can be a) measured by the creation or enhancement of a nonfinancial asset or b) require specialized skills and are provided by individuals possessing those skills and would typically need to be purchased if not contributed. No amounts have been reflected in the financial statements for contributed services.

Functional allocation of expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited, as reflected on the statements of functional expenses. The expenses that are allocated include salaries and employee benefits which are allocated on the basis of time and effort. Occupancy costs, depreciation, and similar costs have been allocated using the percentage of employee time and effort.

Cash and Cash Equivalents

For purposes of reporting on the statement of cash flows, cash and cash equivalents include cash, certificates of deposit, and investments with an initial maturity of three months or less.

Property and Equipment

Special Kneads and Treats, Inc. capitalizes all property and equipment with a cost of \$1,000 if purchased and fair value of \$1,000 at the date of donation if received by contribution. Depreciation is computed using the straight-line method over the estimated useful life of the asset. Repairs and maintenance are expensed as incurred, and any betterments that extend the useful life of an asset are capitalized.
